Dear [redacted] STAT

As you may know the Office of Training and Education has an Executive Development Program (EDP) of elective courses and seminars exclusively for members of the Senior Intelligence Service. The Agency Training Steering Committee made up of the Associate Deputy Directors has recommended that I extend the privilege of participating in this program to a limited number of GS-15s nominated by each of the Directorates and the Office of the Director. I have accepted this recommendation and have requested them to make nominations.

I am pleased to inform you that you have been named to this select group. From time to time you will receive announcements of electives for which you are eligible to apply. The most recent of these is enclosed. You will also receive our EDP Training Notes for Executives later this month.

Sincerely,

[redacted] STAT

Director
of
Training and Education
